NARVA 1989

**Park College
Parkville, Missouri
Volume 59**

The long awaited McAfee Memorial Library opened its doors to the public Nov. 7, 1988 and became home to numerous volumes of books, periodicals, and reference materials.

The new library added study rooms, seminar rooms, a computer lab, Park's very first art gallery, and a extended hour study room for all students.

"Having a study room that you can use whenever you like will be a great addition to Park. It's so hard to find a quiet place sometimes," said Freshman Sonya Byrd.

Not only is the library more modern, it's also larger. There are expanded sections for specific areas, such as children's literature and music listening, and new desks and study tables to accommodate everyone without crowding.

Jan. 28, 1989 was the official dedication of the library but Park College's new addition had already become the talk of the town. The library has been featured in several newspapers and on television news because it's the only underground library in the world.

The history of the McAfee Library and Mabec Learning Center is as follows: For the first 20 years after its founding in 1875 by Col. George S. Park and Dr. John A. McAfee, Park College had no library other than reading rooms provided by individuals and literary clubs. By 1905, the College had set aside two rooms in Mackay Hall for a library and reading room.

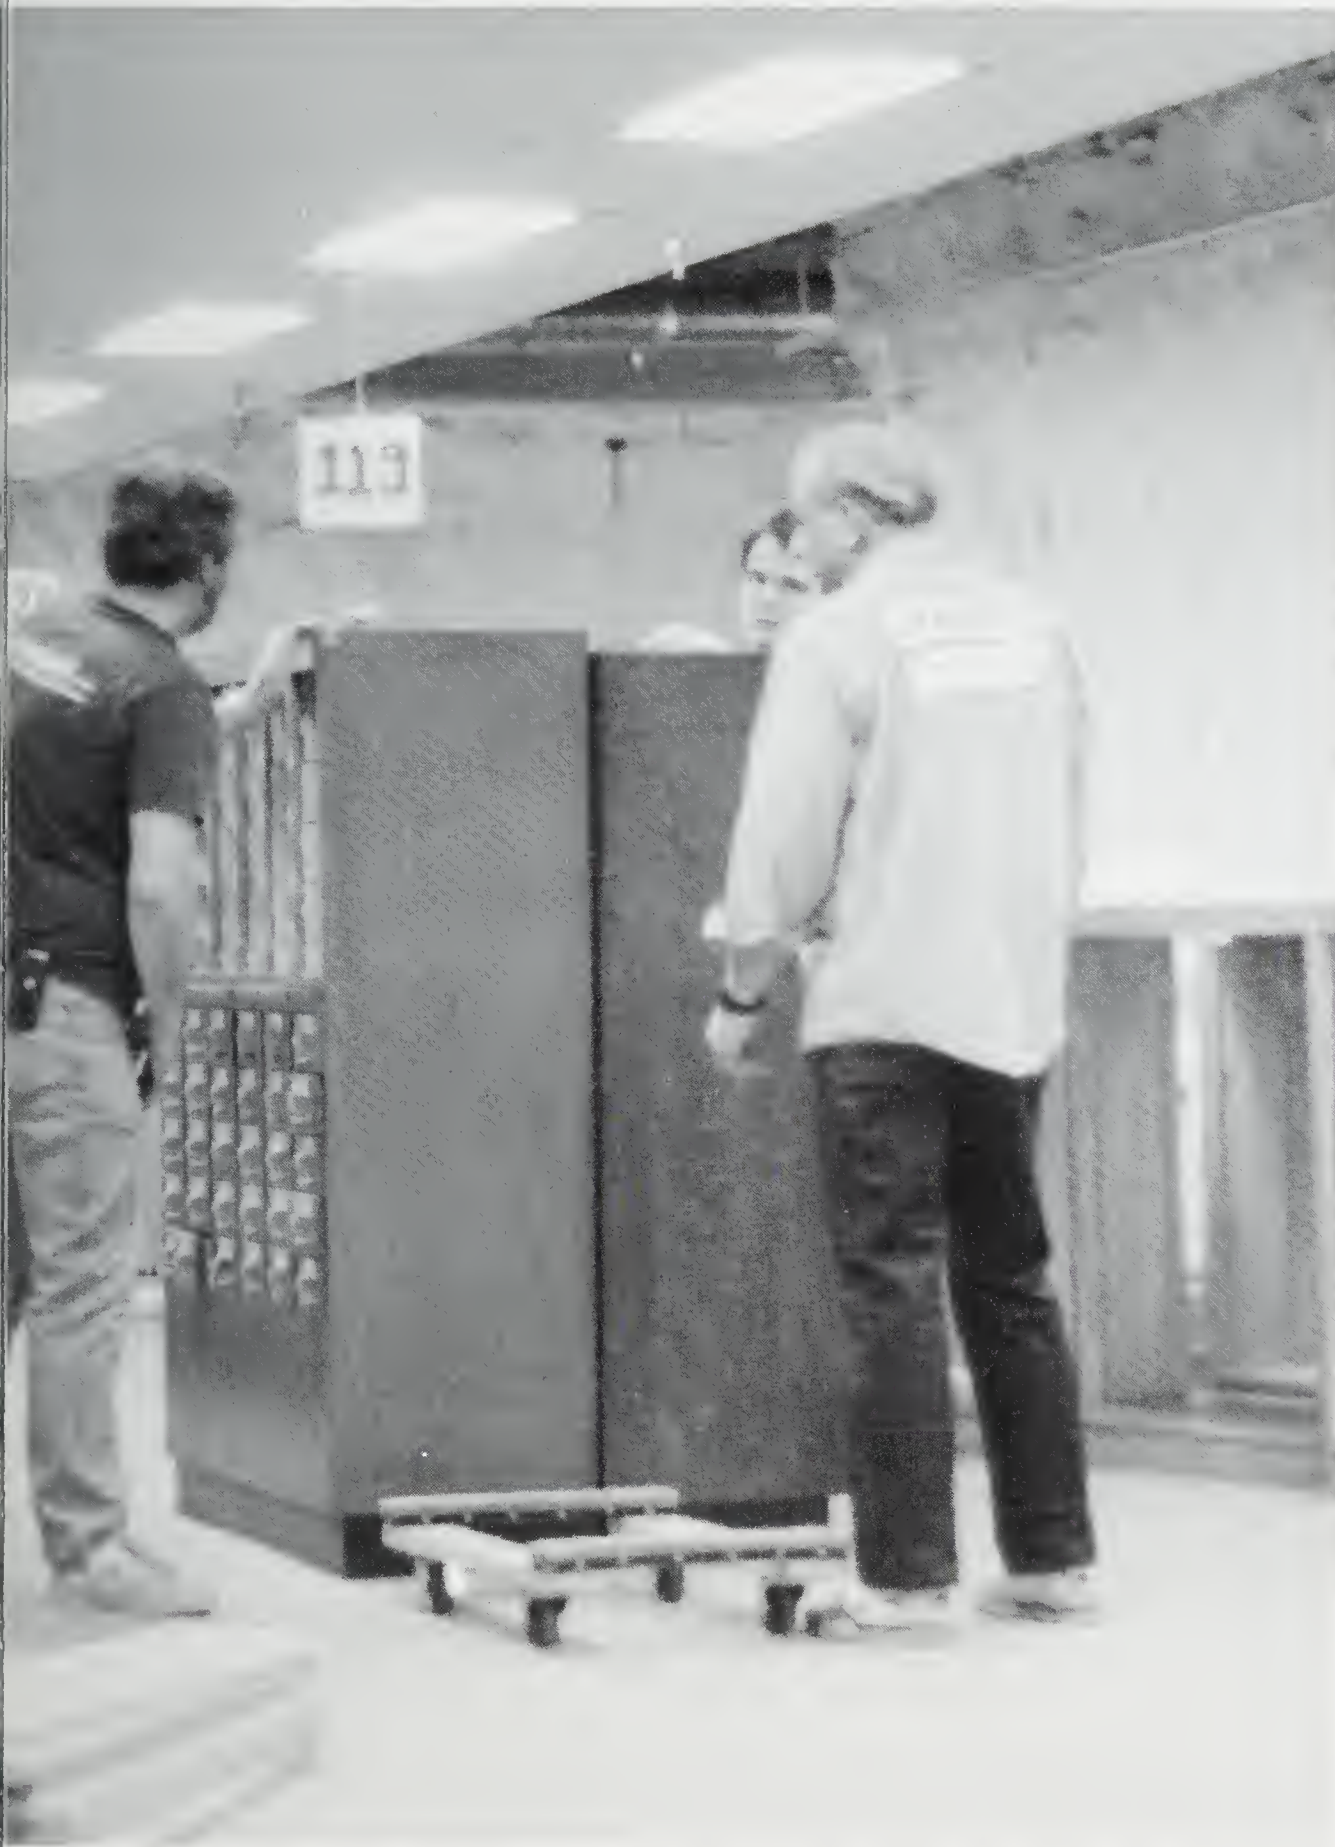

Major gifts from Andrew Carnegie and the Carnegie Foundation made possible the construction and later the expansion of the Carnegie Library.

With the completion of the beautiful McAfee Library and the Mabec Learning Center it is possible to display the full library collection of approximately 100,000 volumes, with maximum capacity of 200,000 volumes.

Computerization will streamline service to the home campus, and will also provide access to military and corporate sites throughout the nation.

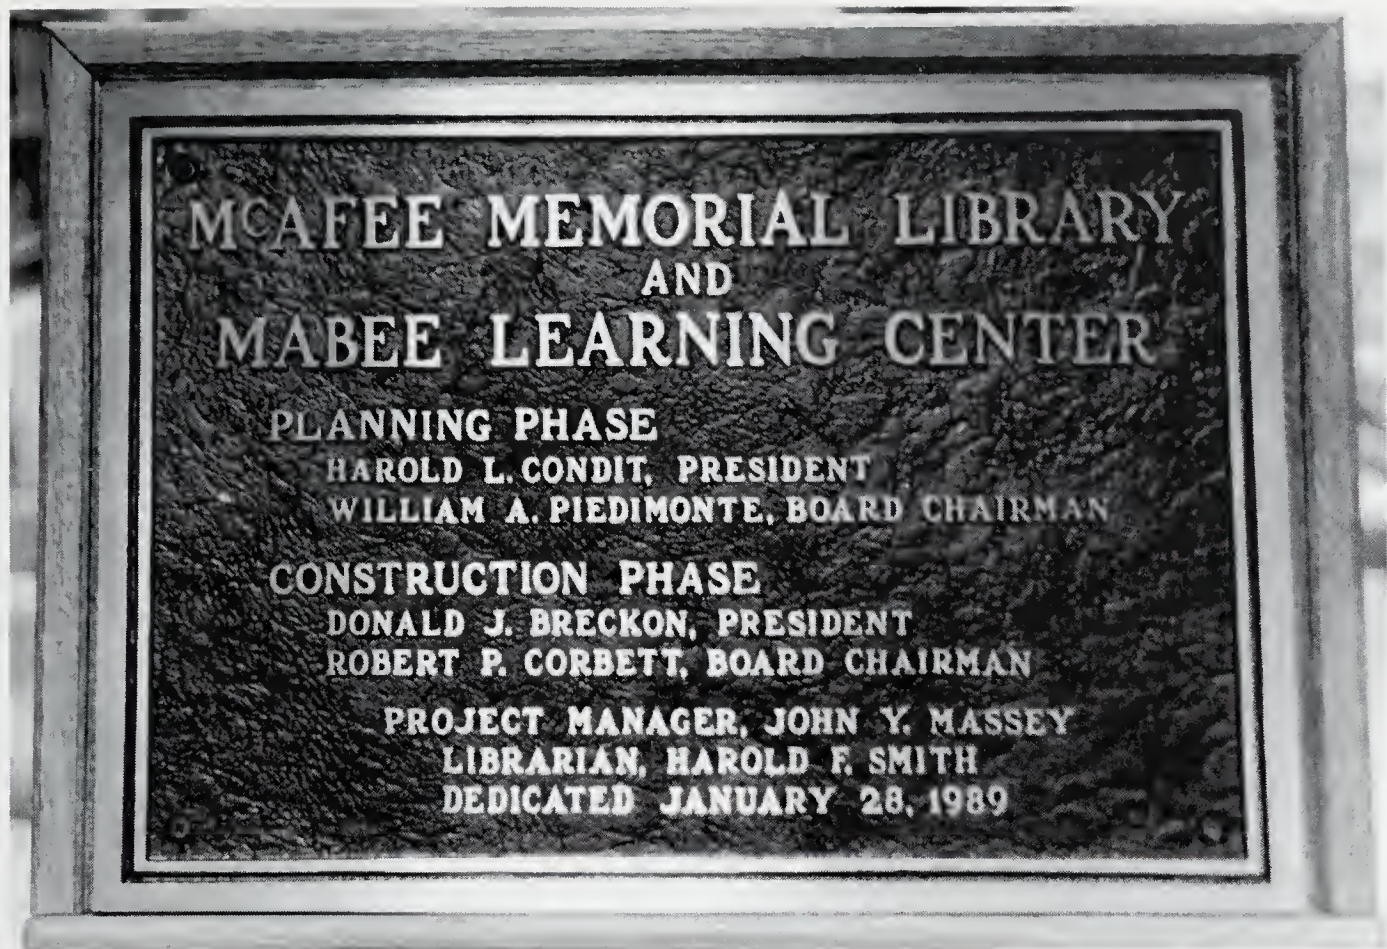

Through the generosity of Park College alumni, friends, foundations and corporations we have dedicated this beautiful and energy efficient addition to Park college, which will greatly enhance the academic community within the Kansas City Metropolitan area.

Louise Bagley (left) supervises the move.

A scene from the underground (left) and a plaque commemorating the opening of the McAfee Memorial Library and Mabee Learning Center.

Another addition to Park's new look is a score board (left). Sophomore Benito Hagsuglow acts as a Park host at the grand opening of the underground.

Track and Cross Country

FRONTROW: Mike Newton, Keith Zimmerlee, Mark Roberts, Andre Beverly. ROW 2: Gwen Elliott, Sondra Ellis, Byron VonLegget, Joel Greener, Johnnie Winston, Elmer Becker, Dave McCalley (Head Coach). BACK ROW: Emmanuel Owivri (Coach), Darrin Jones, Gilbert Chapel, Aaron Irvin, Lennie Becker.

Park College athletic programs seemed to strive this year, but none achieved the degree of success the Men's and Women's Cross Country teams did. Both teams had an outstanding winning season that helped advance the men's team into national competition at Kenosha, Wisconsin.

In the men's race, Senior Steve Hunter finished 72nd out of 350. He was the first of Park's male runner's to finish. Next for Park came Sophomore Mike Evanger, the Freshman George Hayes. Joel Greener, Matt Magee, Mark Roberts, and Micheal Newton finished next, in that order. Said Hunter: "Our goal all year long was to make Nationals as a team."

Congratulations on reaching that goal!

In the women's race Junior Dawn Buchite was the only female representing Park. She placed 200th out of 320. Buchite then immediately flew to St. Louis to run in a 26 mile marathon with co-runner Angie Houston. How did she do at nationals. Buchite said, "I run cross country to basically stay in shape for track. I had been training for the marathon."

Anyway you look at it the Park College Cross Country squads achieved a monumentus feat by qualifying for nationals and with the youth of the squads there is no doubt that they will be there again

Men's Soccer

FRONT ROW: David Songur, Chad McCain, Dennis Hayes, Chris Lawson, Max Taouil, Rich Wolf, Brady Hart, Scott Hood, Tim Guinee, John Burns. BACK ROW: Ben Popoola (Head Coach), Pete Mosher, John Allen, Chris Farmer, Robert Putthoff, Gary Henry, Jerry Compennolle, Christophe Samyn, Sean Caragher, Richard Henry, Quaih Saydee. ABSENT: Fatai Ayoade, John Bergman, Parrish Lucas, Michael Popoola, Don Warner, Abdul Hamid Zlitni, Mike Zuber.

Park College has several traditions, one being a successful soccer program. This year Park continued the tradition of soccer and excellence by not only having a winning season but by advancing past Avila College in post-season play.

The stage was set in Joplin, Mo., where the Pirates were to take on Missouri Southern, with hopes of advancing to the final round of playoff action. But it was in Joplin where the Pirate dreams were erased. After several calls against the Pirate team, the Missouri Southern referee's kicked out both, Fatai Ayoade and Coach Papoola.

After much thought and team conference, the Pirates walked off the field with 25 minutes remaining in the game. Along with them walked off any chance of getting to the final play-off position. The Pirates knew that by walking off the field, their dreams for that year were gone, but they also knew what they believed in that day. They knew that they had succeeded in a way most people would never experience.

Even though the game may not have been fair or completed, the Pirates knew, as well as their fans, that they had succeeded, for they stood up for what they believed; another Park College tradition.

Women's Soccer

FRONT ROW: Christine Lodes, Chris McKim, Holly Salzbrenner, Laura Fox. BACK ROW: Ben Popoola (Head Coach), Paula Cress, Lisa Gorman, Wendy Nuzum, Dawn Meyer. ABSENT: Kokita Burts, Tina Goade, Holly Robinson, Melissa Sabin, Maureen Stewart.

A new addition was found to incoming students this fall at Park, the addition of a Women's Soccer team. Ladies were recruited from all over the country to help formulate a winning combination to add to Park College's athletic program. And formulate a winning combination they did. Not only was the team successful in season play but they also advanced to a District Play-off position. The ladies set out with new beginnings for Park College that will hopefully grow to become an Old Tradition.

With a record of eight wins and four losses their first season, the Park College women's soccer team is ranked second in NAIA District 16.

Coach Ben Popoola, former star player with the Kansas City Comets soccer team, also coaches a men's team and serves as Athletic Director at Park. He is responsible for putting together the first female team and bringing them to a ranking they never expected for their first season. At one point they had six straight wins.

Women's Basketball

FRONT ROW: Danette Parr, Angel Bernhardt, Roxanne Pieper, Lisa Tate, Jodi Jensen, Wendy Nuzum, Joye Crayton. BACK ROW: Christy Schaschl (Statistician), Patricia Preston, Holly Salzbrenner, Sheila Jones, Judy Vaughn (Head Coach), Shari Howe, Joyce Robinson, Christy Figueroa, Bobbi Jo Diem (Manager).

Volleyball

FRONT ROW: Phill Greer (Manager), Kaaren Fife, Shari Howe, Michele Rolf, Mike Waller (Head Coach). BACKROW: Marnie Ludwig, Ericka Benson, Roxanne Pieper, Mary DeGuire, Tara Waggoner, Christy Figueroa.

Over the years Park College has built a reputation for many things, one of those being a successful women's volleyball team. With the return of many seasoned players and the skilled coaching of Mike Waller, the Lady Pirates have established themselves as a force to be reckoned with in our district. This year proved to be one of the best seasons the Lady Pirates encountered as of yet.

The Park College Varsity Volleyball Team started to gear up for the 1988 season by taking on the Park Volleyball Alumni. The three out of five match went to the Park College team in three straight games. The Alumni team consisted of Inger Scherer-Condit '87, captain and organizer, Dawn Tharnish '87, Shari McFate '86, Genisa Livingston '87, Debra Turner '86 and Lori Bloom-Scoonover.

The Lady Pirates were looking forward to a fine season. The opening home game of the season was against rivals from across town, Rockhurst College. The Pirates hadn't beaten them in seven years but this year was a different story as the Lady Pirates WON. This was the start of the greatest season ever for the Park volleyball squad. Park's opening tournament was at McPherson, Kansas which the ladies won. They also

placed second at the Rockhurst Tournament. The ladies ended their regular season with a 28-11 overall record and a 8-4 record in District competition.

The squad consisted of two seniors, four juniors and three freshman. They placed 4th in the NAIA nationally in passing and 14th in digging. Along the way Shari Weseman-Howe, a 5'4" junior outside hitter and captain from Harrisonville, Mo. was named to the NAIA Volleyball Academic All American squad. Shari also ranked 19th in the NAIA in digging. Marnie Ludwig, a 5'5" junior middle hitter from Kansas City, Mo. placed 10th in passing and 25th in digging. She was also selected to be the NAIA District Player of the Week in October. She was also selected to the All Tournament Team of the Graceland College 16 team Tournament. Kaaren Fife, a 5'7" senior outside hitter from Wichita, Kansas took the 8th spot nationally in passing and met nomination requirements to be a Academic All American. Michele Rolf, a 5'7" senior outside hitter from Alma, Mo. was also nominated for the Academic All American team along with placing 15th nationally in passing. Christy Figueroa, a 5'4" junior setter from El Paso, Tx. took the 13th spot in assists throughout the NAIA.

Men's Basketball

FRONT ROW: Joseph Smith, Anthony Walker, Troy Davis, Jay Hughes, Arthur Brooks, Andre Beverly, Darrin Sweany.
BACK ROW: David Francis (Coach), Darrell Town, Bryan "Snake" Singleton, Gary Henry, Stan Willis, Brett Henry, Aaron Irvin, Thomas White, Shannon Kellogg, Stanley Salugmai (Manager).

November 4, 1988.

What happened on that day not only reflected the way the country would be run but also how the newly reformed Pirate Basketball team would fare in the years to come. With the arrival of a new coach, Dave Francis, and the recruiting of several new stars, mixed with the seasoned Pirate players, the team and the fans expectations were high.

Needless to say, neither were disappointed that night. Ending a 25 gam losingstreak, the Pirates soared passed Columbia College, in a game lively

enough to get the crowd on its feet and off the grandstands.

What was to follow would be a season of ups and downs for the Pirates. After winning the season opener the Pirates then fell into a slup, but nevertheless tthe Pirate spirit was never lost. The team regained that new winning style with a defeat over Graceland college, that sent fans hungering for more.

The Pirate Basketball Team, in 1988, was given a breath of life. A new Coach, a new look, a new beginning. May the tradition carry on.

Cheerleaders bring spirit to games

Sounds somewhat unfamiliar echoed through every crevasse of the gymnasium this year, thanks to a dedicated group of ladies led by Student Support Services secretary, Pat Fayerd. Eight girls started out the semester: Freshmen Staci Nelson (Captain), Rhonda Fanning, Virtysa Smith, Jennifer Moore, and Jill Mumper; as well as Sophomores Sheri Lee, Shante Patton, and Wendy Rigg. These ladies made up squad's for both the Men's and Women's Basketball teams.

The ladies showed their cheering talent as

well as sporting new uniforms, provided by Senate, fund raisers and concession stand profits. With the return of only six of the eight for second semester the Pirate Cheerleaders proved their determination to succeed as a forceful part of campus spirit. With togetherness and determination, the Pirate cheerleaders, with the outstanding backing of their sponsor, succeeded in filling Park College with an enthusiasm that can only continue to grow.

(Clockwise) Sheri Lee, Pat Fayerd (Coach), Jennifer Moore, Virtysa Smith, Staci Nelson, Shante Patton.

BSU and Genesis Choir

Perhaps one of the most vocal and energetic groups on campus in 1988 was B.S.U. B.S.U, headed by advisor Clarinda Creighton and President Sondra Ellis, had a variety of activities and the formation of a new vocal group on the Park College campus.

The Genesis Choir was introduced not only to Park College but also to the city of Parkville, and anyone within earshot could feel the magic and inspiration the choir created. B.S.U. also held many fund-raisers, which proved to be a big success and fulfill our sweet tooth.

International students bring diversity to campus

"TASTE THE FOUR CORNERS OF THE WORLD," were the signs seen around campus in late November promoting an interesting fund-raiser for

the International Club. A worldwide bake sale was the topic and those participating not only showed their talents from afar but also helped educate others in International Culture.

The International Club also sponsored a dinner, along with Food Service, providing entertainment and an International Fashion show helping to educate others in different cultures. Native dances, costumes, and songs were performed, all emphasizing harmonious international diversity.

FRONT ROW: Quiah Saydee, David Hall. ROW 2: Ambelynn Lukas, Ignathius Yugman, Kenny Osiik, David Jacob, Eugario Ngiramengior, Stanley Salugmai, Gustav Aitaro. BACK ROW: Francis Itimai, Kenny Khoo, Fresler Gaspard, Richard Henry.

Amnesty International promotes human rights

In 1988 Park College saw the uprising of a new campus non-political group, that deals with political situations, called Amnesty International. AI is an international organization that promotes Human Rights through public awareness campaigns to help promote the Declaration of Human Rights that was adapted by the United Nations in 1947.

Mike Barron headed the organization along

with the help of Michael Johnson, Corky Davis, Claudia Cameron, Sue Yehn, and many others who helped the group get started. Although Amnesty's protests consist mainly of letter-writing campaigns, the petitions and letters have released and saved many prisoners of conscience from death and torture worldwide.

The group has grown since its inception to almost triple its beginning size. The group works toward peace and justice by helping the public become aware of Human Rights abuses throughout the world and works to stop them.
